

Presenting Your Capstone Project

15- minute Presentation of Project

10- Minute Presentation

5- Minutes for Q & A and Wrap-Up

Preparation:

- Prepare your screen for sharing in Zoom
- You may also want to have **a slide or two that sets the tone for what we will be viewing**. These can either be uploaded or viewed directly from your desktop.
- Test your audio and run the audio wizard.
- Take a deep breath and show us your masterpiece!
- Remember to have us record the presentation.

Demonstration
